

ANTRIM COUNTY PROPOSITION FOR RECYCLING MILLAGE

This proposal is for a new millage and will permit the County to levy up to 25/100 of one mill (\$0.25 per \$1,000 of Taxable Valuation) to provide funds for the operation and maintenance of a county-wide recycling program.

Shall the Tax limitation imposed under Article IX, Section 6 of the Michigan Constitution on the amount of ad valorem taxes which may be levied by the County of Antrim, Michigan, against all taxable property in the County be increased by up to 25/100 of one (1) mill (\$0.25 per \$1,000 of taxable value) on the taxable value of such property for a period of four (4) years, 2017 through 2020, inclusive, for the purpose of providing funds for the operation and maintenance of a county-wide recycling program, and shall the Antrim County Board of Commissioners be authorized to levy such millage for these purposes? If approved and levied in its entirety, this millage would raise an estimated \$434,328 for Antrim County in 2017.

Yes

No

To the extent required by law, a portion of this millage may be captured by and retained by the Downtown Development Authority/Tax Increment Finance Authority.
