

Antrim County Existing Transportation Map 9-1

Antrim County, Michigan Existing Transportation Map 9-1

Transportation

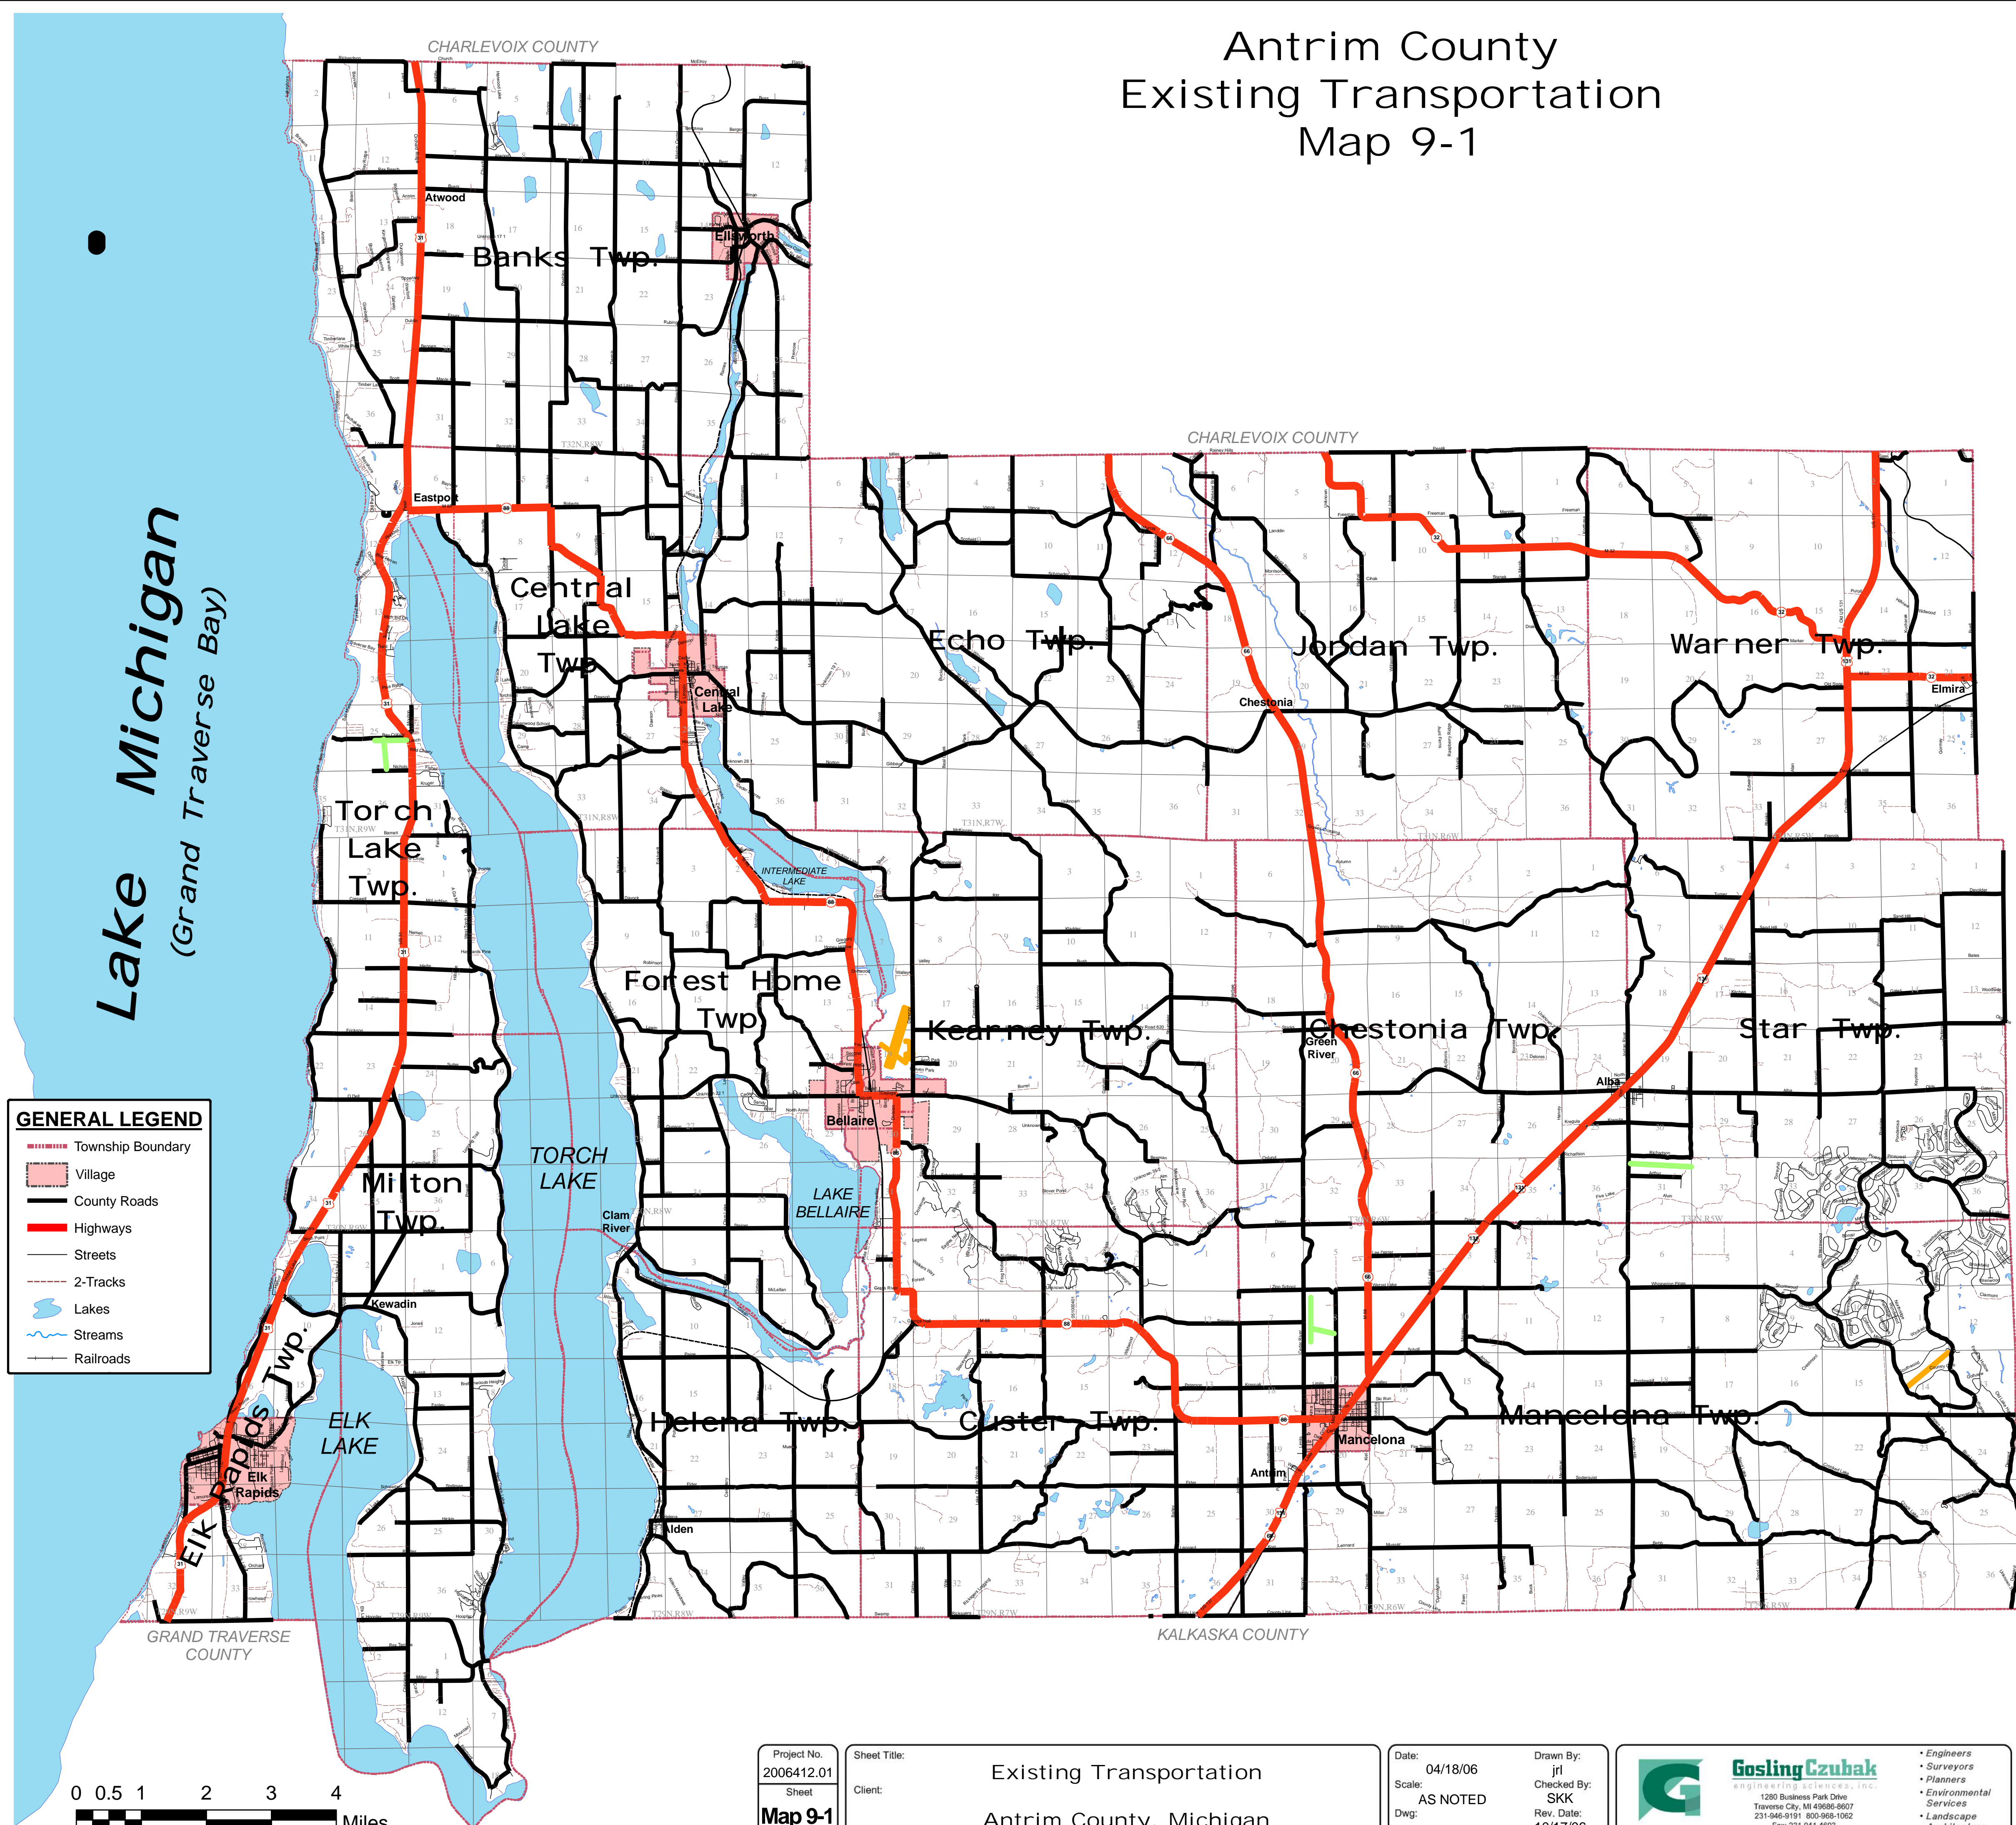

- State Roads - Highways
- County Roads
- Railroads
- Paved Airport
- Unpaved Airport

State Roads: Roadways designed to conveniently transport large volumes of traffic from one area of the state to another. Are maintained by the State of Michigan, who typically contracts with the County Road Commission.

County Primary Roads: Paved roads that collect and distribute traffic between residential, employment, and shopping destinations. Typically they are heavily traveled. The Antrim County Road Commission maintains these roads.

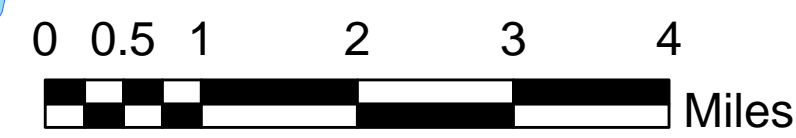

County Local Road: Designed to provide vehicle access to abutting property and discourage through traffic. Typically serve a subdivision, group of housing, or a business.

Private Roads: Data not available
