

YOU'RE INVITED!!!!

# MyHealth Account Lunch and Learn

MyHealth gives you access to your health information in one convenient place. From renewing prescriptions to scheduling a virtual doctor visit and even checking the price of health care services before you get care, MyHealth puts you in control of your health.

With a **MyHealth** account, you can:

- **View your claims and benefit information**
- **Find a Doctor.** Find doctors, hospitals, and pharmacies and other providers
- **Access our Cost Estimator tool** to save money on your care and get rewarded
- **Manage your account** with shared access for the people you care for
- **Schedule a virtual visit** for non-emergencies with a doctor, anytime
  
- **Track your health records.** Take notes on allergies, immunizations and other health issues
- **Send secure messages** to Customer Service, your provider and care team

### What you'll need to set up your account:

*It only takes 15 minutes!*

1.) A personal email address

✓ **Tip:** Use an email address that is unique to you. Shared and family email addresses can only be used to create one user account.

2.) Your Priority Health ID Card, if available

Be sure to download the MyHealth app from the App Store or Google Play for health information on the go.

**For anyone enrolled in the Low \$750 Deductible plan:**

“Priority Health will give members credit for **deductible amounts met under the previous carrier during October, November, and December of 2018**. Please provide copies of your Blue Care Network Explanation of Benefits statements to our agent at Dewey Insurance **by Wednesday, 2/6/19** to get this credit. If you do not have your Blue Care Network Explanations of Benefits and you were registered on their website as a member, you should still have access to this information. Members can also call Blue Care Network at (800) 662-6667 to request replacement Explanation of Benefits statements. You will need the id number from your BCN card or the subscriber’s social security number (employee.) Note: This only applies to deductible items (not coinsurance or any copay items) and only for service dates during the last three months of 2018.
