

**NOTICE OF DEADLINE EXTENSION:
Bank Building Demolition Project**

As published in the May 30, 2019 issues of the Antrim Review and the Elk Rapids News, the Antrim County Board of Commissioners is seeking bids for the demolition and removal of a building and appurtenances commonly referred to as the "Bank Building." Since the publication of the Request for Proposal, a study has been done to ascertain the levels of asbestos and/or lead in the building materials. Once the results of that study are available, they will be added to the Bid Specifications.

At this time, the new deadline for submission is July 2, 2019.

Potential bidders are encouraged to contact the Antrim County Administration Office at (231)533-6264 or email countyadmin@antrimcounty.org.
